

## **SOUTHWEST TRAILER LEASING INSURANCE REQUIREMENTS**

### **Insurance (required)**

Commercial Auto Liability or Truckers Liability:	\$1,000,000 combined single limit bodily injury and property damage per occurrence, or the minimum amount specified by any applicable laws or government, whichever is greater.
General Liability:	Comprehensive contractual liability.
Physical Damage:	Comprehensive coverage for physical damage.
Certificate:	A certificate naming Southwest Trailer Leasing (the Lessor) <i>additional insured</i> with respect to liability and <i>loss payee</i> with respect to physical damage is required prior to trailer rental. We must be a certificate holder as well. The certificate must provide the Lessor with at least 30 days prior written notice before cancellation or material change in coverage.

### **Vehicle Protection Plan (optional)**

In lieu of providing Southwest Trailer Leasing (the Lessor) with proof of physical damage insurance the customer (the Lessee) may purchase Lessor's Vehicle Protection Plan (VPP) which eliminates the requirement to provide the Lessor with physical damage insurance coverage. VPP also waives the Lessee's responsibility to the Lessor for certain equipment damage.
